 More affordable prices

CNC system

Rail

Perfect auto plasma Torch height control

### Technical Date:

Model No.:SNR-QB-1530

Weight:

Dimensions: 1500\*3000mm

Cut mode:Auto Plasma,Electric flame

Cutting thickness:flame:6-160mm

Plasma:0-25mm(according to generator)

Humanity operate interface.

Construction impact,sealing perfect,dust-proof.

**7" color LCD display**

Built-in 24 kinds of standard figures.

Anti-plasma jamming,lightning strike.

**Motor THC:**

Built-in Upper and lower limitation,to reduce losses,increase service life.

Adjustable: 0-100mm.

**Software:**

The most popular FastCAM
